

Founded in 2022, Sheffield Academy is an award-winning public charter school serving students from EK-6th grade in the Sheffield Village community. The safe, secure campus features a sensory room and multiple indoor/outdoor sports complexes including a gym, track, field, and baseball diamond.

The school's unique focus provides families with an integrated academic and athletic program that teaches students to compete, excel, and sustain excellence on the field, in the classroom, and in life. All team practices and most games fall within the traditional school day to keep evenings free for family time. Additionally, families benefit from free after-school and summer programs.
