Basketball Season 2024

Dear Sheffield Academy Parents,

Basketball season is soon upon us. We are extremely excited to provide this opportunity for our student athletes. Unfortunately, our gymnasium is not suitable to host games. Therefore, all of our games will be at other schools. We do not have it in our budget to provide transportation for games, so we will be depending on parents to help with transportation and/or carpooling.

Please fill out the form and check one of the following.

Please contact Mr. Moro or Mr. Lane if you have any questions.
